

Frick Park TRTCC Picnic, Sunday, October 15, 2017

- Parking is plenty on Beechwood Blvd.
- Enter at Beechwood and Nicholson Street (the Blue Slide Park of Frick Park)
- Walk straight along the main road (Riverview Trail)
- When seeing the big Riverview Trail sign on your left, **DO NOT** go down onto that trail but continue a few more yards and walk up a grassy slope. Our **destination** (the red circled area on the map) is at the top of the slope with a wide open view on a flat grassy high ground.
- The total walking time from entrance to destination should be about 10-15 min. (We will put up a sign to direct you.)
- Practice will start at 10am, and plan to be there a little earlier to get settled in first.
- Bring what you need to make a seat on the grass— mats, cushions, a picnic blanket, folding chairs, etc. or just simply sit on the grass, and wear comfortable clothing.
- Wear a hat if you don't want too much sun. Bring your water bottle.
- Bring some picnic food that's easy to carry: fruit, crackers, sandwiches, trail mix, nuts, etc.
- **ALL ARE WELCOME.** Encourage or bring your family or friends to practice with us.
