

The Buddhist Society of Pittsburgh invites
All Buddhist Sanghas & the Public to our **18th Annual
VESAK and Peace Walk**, celebrating the
Buddha's birth, enlightenment & parinirvana.

Watering Seeds of Peace

Local Buddhist groups will share teachings on nourishing peace in our lives. Group activities include bathing the baby Buddha, chanting, meditation, and a children's activity.

Following a procession to the Allegheny River, everyone can offer a ladle of blessed water to flow out of our rivers for world peace. Light refreshments will be available at the riverside.

The event is free & open to the Public. Please Join Us!
